Important Dates

- **October 15, 2021**—Sign and return. To receive a payment deferral, check box in Part 1.
- **December 31, 2021**—Payment due for companies not requesting a deferral.

Please complete and return this form by **October 15, 2021**. An invoice for your 2022 CMC membership will be sent to the billing contact listed in Part 2. To receive a payment deferral until April 1, 2022, you must indicate so in Part 1.

Part 1: April 1, 2022 Payment Deferral Request

Required for members requesting April payment deferrals. If no deferral is requested, please skip to Part 2.

To better serve our members with fiscal years that do not align with the calendar year, Si2 will defer your CMC payment due date for the 2022 membership calendar year to April 1, 2022. By checking the box below, you confirm your company's fiscal year does not begin in January, and you request your 2022 calendar year dues payment date be deferred to April 1, 2022.

Check here to request a payment deferral until April 1, 2022. (Signature Required in Part 3)

Part 3: Model Selections

Please select the model(s) for which your company wants designation rights in 2022. Designation rights allow the member access to beta versions and QA suites for those designated models. It also gives the member rights to vote on model work list prioritization.

Attention Global Members - In order to implement proper CMC member voting rights within individual workgroups, you must select the models in which your company intends to participate. Although your company will still have workgroup and beta code access for models that you have not selected, your company will not be able to vote in any "not selected" workgroup-specific ballots.

	Regular Member \$25,000 Base fee and one model. Choose one model.	Additional Models \$4,000 each May add up to six models for a total of seven models.	Global Member \$51,800 Participates in all models but may designate up to 15 models for determining fund allocation.
